

Beautiful Blessings Preschool  
Miss Cindy's Classroom Letter

May 2018

Hello!

It is May! This school year has gone by so fast! I am getting sad as I think of my students moving on to other classes or kindergarten in the fall. I don't always do very well with goodbyes and change. I have grown to love all of my students and this has been an amazing year!

April was a fun month. We studied apes for the long vowel A, eagles for the long vowel E, ice cream for the long vowel I, and ocean for the long vowel O. The students really enjoyed Dad's Night Out-spending time with dad and playing carnival games.

Please consult your calendar frequently this month. We have a lot of activities planned to end the school year.

Miss Cindy
