

# Ms. Kiana's February News

February 1<sup>st</sup>, 2018

Character Trait-Friendship: Accepting, giving, sharing, feeling, and enjoying companionship with others.

## A message from the Teacher

Welcome February! I can't believe another month is gone! We have a busy exciting month this month! We have visits from the dentist to learn about good dental practices and from Heinens to learn about healthy eating habits! This month I will be completing Formal Assessments on the students and getting Progress Reports ready. Conferences will be held in March, I will send home information soon. Please contact me if you have any questions or concerns.

Phone 216-280-0477
